DECISION AWARDING DAMAGES¹

Dorsey, Chief Special Master:

On June 8, 2016, Gregory Thompson (“petitioner”) filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleged that he sustained left shoulder injuries from an influenza (“flu”) vaccination he received on September 8, 2014. The case was assigned to the Special Processing Unit (“SPU”) of the Office of Special Masters.

On December 1, 2016, the undersigned issued a ruling on entitlement, finding petitioner entitled to compensation for a shoulder injury related to vaccine administration (“SIRVA”). On May 22, 2017, respondent filed a proffer on award of compensation (“Proffer”) indicating petitioner should be awarded \$120,000.00. Proffer at 1. In the Proffer, respondent represented that petitioner agrees with the proffered award. *Id.*

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

Respondent further proffers that petitioner should be awarded funds to satisfy, in full, the Commonwealth of Pennsylvania Medicaid lien in the amount of \$14,277.85, which represents satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the Commonwealth of Pennsylvania may have against any individual as a result of any Medicaid payments the Commonwealth of Pennsylvania has made to or on behalf of petitioner from the date of his eligibility for benefits through the date of judgment in this case as a result of his vaccine-related injury, under Title XIX of the Social Security Act. Proffer at 1.

Based on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer. Thus, pursuant to the terms stated in the attached Proffer, the undersigned awards petitioner the following:

- (1) A lump sum payment of \$120,000.00 in the form of a check payable to petitioner, Gregory Thompson.** This amount accounts for all elements of compensation under § 300aa-15(a) to which petitioner would be entitled; and
- (2) A lump sum payment of \$14,277.85, representing compensation for satisfaction of the Commonwealth of Pennsylvania Medicaid lien, payable jointly to petitioner and to**
